- 3) Financial Report: <REDACTED>
  - a. Outstanding bills: Insurance coming due soon
  - b. Any receipts to submit: None
  - c. Any checks to be deposited: None
- 4) OLD BUSINESS
  - a. Membership – due by May 1 to stay on mailing list, get miles counted, etc.
  - b. Jerseys – SHOW INITIAL DRAFT PROPOSAL.
    - i. This is based on the information we gave the designer. Thoughts?
    - ii. Designer will cost us ~\$240, unless we require a lot more effort.
    - iii. QUESTIONS FOR VENDORS:
      1. Is it full zip or partial zip – prefer full zip.
      2. Is there a timeframe for not paying a setup fee.
      3. So they have samples they can send??
      4. What is lead time?
      5. Do you size graphics to size of jersey
    - iv. TODO: Daun Email the jersey design to all members.
    - v. Vendor that will produce the jerseys needs the artwork as soon as we finalize it. We will then need to start getting orders from everyone that wants one (will have price at that point). We do have \$\$ set aside to offset costs, but we only have a 5 jersey minimum order, so we do \*not\* need to order a ton of extras.
      1. Do we want to ask for a deposit from people when they request a jersey? YES
      2. Do we want to order a few extra jerseys with the order (knowing we can order in as few as 5 jerseys at any time)? NO
  - c. Plaque has been installed out at the BABC repair station! SHOW PICTURE
  - d. Coordinator for Sizzling Century? Any takers?
  - e. Need to work with Chad on the 7x10 Sizzling Century banner (Daun – not highest priority yet, but will start soon)
  - f. All weekly ride leaders have been confirmed for 2022 season. RIDES HAVE STARTED!
  - g. Let Daun know if you are interested in hosting ANY specialty one-off rides and we will help you as best as possible.
  - h. If no one is able/willing to coordinate the proposed new Callout Ride(s), we will postpone another year.
- 5) NEW BUSINESS
  - a. Weekly Rides
    - i. M/W Rides moved to First Christian Church (across the street from the old Celebrations start location)
