

## Mission of BABC

The Break-Away Bicycle Club is a not for profit organization that was founded for the purposes of promoting and encouraging recreational and sport cycling in and around the Kokomo area.

We offer weekly group rides six days a week starting at various times and locations. Each ride has a designated ride leader. The ride leader plans the route and ensures that all riders return from the ride safely. Our routes are designed with the idea of utilizing many of the lighter traveled roads in our county. We try to keep traffic to a minimum for safety.

**You do not have to be a club member to ride on our weekly rides (although membership is encouraged).**

## Yearly Rides

To support our club expenses we organize three yearly rides with entry fees.

The first event of the year is the Polar Bear Ride on January 1st. It is a 1 mile to 18 mile ride to kick off the new year!

And yes it is usually COLD!

Our second ride is the SunStroke 74 and SunRide 7.4. The Sunstroke 74 is a 74 mile ride that takes place on July 4th in conjunction with the Haynes Apperson Sports Festival. The SunRide 7.4 is a 7.4 mile family friendly ride utilizing the new trail system in Kokomo.

Finally is the Sizzling Century that takes place annually in August. We offer distances in this event between 40 miles and 100 miles around Howard County.

## Giving Back

Every year our club makes a charitable donation to various organizations around our community in order to give back and support the efforts of others in our community. In years past we have donated to the Nickel Plate Trail, Kokomo Rescue Mission, City of Kokomo, Urban Outreach, and Kokomo Education Foundation.
