

Break-Away Bicycle Club of Kokomo

Presents

VIRTUAL

Due to the risks of riding in large groups at this time, the annual Sizzling Century ride will be VIRTUAL this year. Registration can be done online (see link below) or via the mail-in form on the back. All registrants are encouraged to post pictures before and after their rides on social media (be sure to make them public) with the tag #BABCsizzlingCentury2020. After the event is complete, all registrants will be sent a beautiful finisher medal/medallion to commemorate the event. All riders can sign up for the typical 44, 62, 80 or 100 mile distances as we have offered in the past, or sign up and ride as much as you are able to anytime the week leading up to August 15th or that weekend! This will obviously be a self-supported ride, so we want everyone to ride safe. This is virtual, so you can ride anywhere or anytime that is convenient to you during that week/weekend. As per the latest state regulations, please plan to take a mask and hand sanitizer with you in case you plan or need to stop anywhere along your ride. Again, pictures and updates on social media are highly encouraged so we can show our support for you, our cycling community! Thank you all for joining us on this ride. Be safe.

Online registration: \$15 (includes finisher medal/medallion being mailed to you after the event)
